Nicki and Neil 2015

With over 350 guests Nicki and Neal opted for the sole use facilities and erecting a 100' x 40' marquee and arranging the catering, furniture and flowers in house

Andy, Jo and all at Dan's Meadow made organising our wedding so easy with helpful advice and their attention to detail. Nothing was too much trouble! Our guests thoroughly enjoyed the day too surrounded by a picturesque setting in Suffolk with easy access from the main A12 and A14 for our long distance relatives. Thank you to all at Dans Meadow for making our wedding totally perfect! Nikki and Neil x

We held our wedding reception at Dan's Meadow this year and had the most fantastic time, a truly stunning setting! Andy and all the team at Dan's Meadow could not have done more to help with all the preparations and were always on hand at any time. Thank you so much for helping to make our day so special! Would definitely recommend for any future weddings X Amy and Shane

Testimonial

A big thank you to Andrew and everyone who helped us with our wedding in July. You couldn't have been more helpful. Our guests commented on how relaxed and beautiful the site was, the tepees looked fantastic! The kids loved the camping! Would definitely recommend to anyone looking for something a bit different with plenty of flexibility to make your day perfect for you.

We had our wedding here in July, and we couldn't have hoped for a better venue. Andrew was brilliant from the start and always had ideas to help us make our day the day we wanted. Everything went off without a hitch, and everyone commented on how good the venue was for the occasion. We would recommend Dan's Meadow to anyone who wants a good outdoor space, with well-appointed facilities in case the worst happens with the weather on the day! Richard and Kelsey

Sarah and Steve 2017

Review from Sarah and Steve

Thanks to Andi and all the team at Dan's Meadow for all the help and support with our wedding this September. Dan's Meadow was just the perfect setting for our dream of an outside ceremony. We held the blessing under the canopy of a tree by the stream. The Tipi's looked fab for the reception and the outside space allowed several games to be set up. All the guest commented on how relaxed the day was and what a fantastic setting we had found in Dan's Meadow! Thanks again for everything, we will definitely be recommending this venue.

Charlie and Carl 2019

Recommendation from Charlie and Carl

The first time we looked at Dans meadow for our August wedding reception venue we knew it was perfect. The location, space and facilities were just what we wanted. Nothing was too much trouble and the whole team were astounding. We hired the whole meadow for the weekend, and we had family and friends from all over the Country, and Spain, camping or staying locally. We are so grateful for Andrew and the team, and we won't ever forget our phenomenal 'festival of love'. We wouldn't hesitate but recommend Dans meadow. Thank you all!

Daisy and Robbie 2019

Massive thank you to Andrew and the team at Dan's Meadow for making our #WedFest the most amazing special day! Our vision was to have a festival wedding: one of children running up and down the meadow playing games, friends sitting on picnic blankets and drinking cocktails on the outdoor terrace, all sharing in big communal food... and the meadow has all the space we needed (and more!) to do all that. So many of our married friends told us how sad they were that their own special day had gone so quickly and how little time they spent together as a couple whilst trying to talk to guests in amongst the official proceedings. It sounded rubbish (!) so we chose to do something quite informal and relaxed which let us form memories of the day together! The meadow was the perfect setting. And Andrew was just brilliant - we had to call up with all sorts of queries over the preceding months and nothing was ever too much trouble. As the first licensed wedding on the site, he even brought us a framed photo the next day as we sat in the local pub having a family lunch - it's a gift we'll really treasure! Lots of our guests decided to camp - either to save money or as a treat for the kids. The facilities were great, and we're told that lots of folk kept the party going at the end of the field until the early hours! These are pictures from friends - we'll post some official ones when we get them from the photographer in a few weeks :) thanks again, much love, Daisy & Rob

Natasha Clifford recommends Dan's Meadow We got married at Dan's meadow at the weekend and I'd just like to say a huge thank you to Andrew and his team. You were so helpful from start to finish, always available if we needed anything. The grounds are gorgeous, and all our guests commented on how relaxed and lovely it was. We're so glad we chose to have our wedding with you guys. Thanks again
Andrew. X

Dear Andrew and All at Dan's Meadow

Thank you for going above and beyond to make our day So Wonderful and
Stress free

It was truly the most beautiful setting for our perfect
Wedding Day

With Love
Maia and Ben

We knew Dan's Meadow was perfect as soon as we first saw it. We were so excited that we could get married on the river bank. The River Fynn has become really special to us, so much so that we incorporated it into our son's name – Fynnch. We loved the open meadow, the trees and the whole atmosphere at Dan's Meadow. The fact that everyone could camp at the venue, so the celebrations could last for the whole weekend, made it even more perfect.

Corrine and Dave 2021

Dan's Meadow was the perfect setting for our Wedding Reception; Andrew and team were amazingly helpful and supportive in the planning and preparation stages, helping us to make it everything we wanted it to be. Andrew was there throughout the set-up, on the day and for the clear up the following day, on hand to help and support but always unobtrusive. The tipis looked incredible and the hay bales and firepits added the extra 'wow'! Everyone said what a beautiful setting it was and the kids had a great time being free to play without being in anyone's way. We couldn't have asked for more, thanks to the whole team involved for making our day magical.

Sam and Graeme 2021

Our wedding day at Dan's Meadow was everything we imagined it to be and more. The setting was relaxed and beautiful. We were so lucky with the weather meaning we could get married down by the river which felt so special. Andrew was so accommodating and helpful, especially the day before the wedding when we were setting everything up. He made sure it all ran smoothly before, during and after. Many of our guests commented on what a stunning location it was. We had the best day of our lives!

Lottie and Jacko September 2021

Dan's Meadow was the perfect venue for our handfasting. Andrew was so brilliant and worked with us make the event tailored to what we wanted and it made our special day really magical. Our guests absolutely loved the Meadow and I can't imagine celebrating our union anywhere else ❤️

Shalyn and Stephen July 2022

Jess and Ollie July 2022

Thank you to everyone at Dan's Meadow for making our wedding day so special. The location is magical with the river Fynn running through it, amazing wooded area and loads of places to have great pictures. Camping and caravanning facilities are kept at a high standard. The owners and staff are amazing so helpful, kind, and supporting, nothing was too much trouble. Would highly recommend to anyone that is looking for a great venue to have a wedding, party or any other occasion.

Lizzy and Matt July 2022

Dan's Meadow was the perfect place for us to have our wedding. We had our ceremony and celebration at the venue and it couldn't have been more "us". Compared to other venues we looked at this one was much more reasonable and having sole access to the site for the whole weekend meant we could really make the most of our wedding.

Andrew and his family went above and beyond to make our day as special as possible, booking the tipi, DJ, food vendors and bar for us which really reduced the stress of organising the day. In the lead up to the wedding Andrew was available to call any time to answer questions and offer advice. He even returned in the evening of our wedding day and surprised us with a photo in a frame which he had taken just after the ceremony.

Having our ceremony outside by the willow tree and in front of the Victorian Gazebo was just lovely. Some of our guests booked the two shepherd huts which are beautiful and very well supplied and others camped with us. Those who wanted to go home or stay in a hotel in Woodbridge could do so easily thanks to the excellent location and ample onsite parking. The day was relaxed and felt very private and in the evening we sat around the campfire and toasted marshmallows which was the perfect end to the day.

Thank you Andrew, Jo, Kylie, family and team for making our day so special. We will treasure it always. Love from, Lizzy & Matt xxx

Our wedding at Dans Meadow was absolutely perfect. Our guests all commented on how chilled and fun it was.

It is a very unique setting with so much on offer. It was great that we could do it all our way. Nothing was too much trouble. The Meadow was such a beautiful place to say 'I do'.

We used the meadow and the hall - which was a perfect blank canvas that we could add our own flair too. It was beautiful in the evening too with all of the twinkly fairy lights around the meadow.

Thank you for all of the catering recommendations - there was so much choice. The food was talked about a lot - so many people said it was the best wedding food they have had.

It was brilliant that our guests could camp or stay in the shepherd huts over night - it prolonged our special day and it was lovely to all wake up together the following day and enjoy breakfast on the meadow.

Thank you to everyone at Dans Meadow for going above and beyond - I can't recommend you enough! The venue is so special and unique. It really was the best day ever! ❤️

We had the most amazing wedding day at Dan's Meadow. The weather was not on our side but Andrew and his team worked tirelessly to ensure our day was fantastic despite the rain, which did clear in time for games on the field after the ceremony. Our guests still talk about how fun our wedding day was - some even said it was the best wedding they had ever been to! We could not recommend Dan's Meadow highly enough - we have the most joyful memories of the happiest day of our lives, and will forever be grateful to Andrew and his team for giving us the wedding of our dreams.

We feel so lucky to have had our wedding day exactly the way we chose at Dan's Meadow. It was so nice to have the freedom to use suppliers we wanted, but with helpful guidance from Andrew if we wanted it. So many venues will restrict you, but this wasn't the case at all at Dan's Meadow.

Whilst we were planning Andrew was always at the end of the phone and happy to help. Whilst we were setting up, Alan couldn't have done more to help and was so kind. We were even kindly gifted a personalised sign for the day! We felt very special.

We chose to just use the meadow, and it was fab. We had tipis, games and a lovely, chilled, fun day. So many of our guests said it was the most fun they'd had at a wedding, and the venue was a big part of that.

Thank you! Harrie and Ricky x
